

THE HISTORY OF SAINT DANIEL CHURCH IN WHEATON

St. Daniel the Prophet Parish was established on April 5, 1989, with Father Thomas White as the founding pastor. Father White planned and built all our parish facilities. The church building was dedicated on October 3, 1993, and the parish center building was completed on January 5, 2001. Father White retired as pastor in 2005.

Father Thomas Sularz became the second pastor of our church in 2005. Father Sularz renovated our church sanctuary, retired the debt on the parish center building, and celebrated the silver anniversary of our parish community with Father White.

When Father Sularz retired in 2014, Father James Dvorscak became the third pastor of our church. In 2018, we celebrate the silver anniversary of the dedication of our beautiful church building, remembering all who have worshipped here in faith.

On July 5, 2014, Father White died, and on July 15, 2018, Father Sularz died. Both priests left behind a legacy that will be cherished for many generations to come.
